### E-SAFETY REMINDER

A report this week says that young people are spending more time playing and socialising online than watching television programmes, we would like to remind parents of the importance of internet safety. The chart below shows the UK age restrictions for social media sites. If a parent allows a child to have a profile we would encourage you to monitor their use, including passwords, particularly at night time. Children are regularly reminded and taught about online safety at school.

What is the minimum age for account holders on these social media sites and apps?

## SPELLING, PUNCTUATION AND GRAMMAR WORKSHOPS

Thank you to all the parents who attended our Spelling, Punctuation and Grammar (SPAG) workshops on Wednesday and Thursday this week.

The PowerPoint from the presentations will be uploaded onto the school's website soon, we trust you have received the information given to your child if you were unable to attend.

## PARENTS' EVENINGS

You should, by now, have received your appointment for Parents' Evening. Thank you for making alternative arrangements for child care so that these evenings can run smoothly.

Don't forget  
Parents'  
Evening!

## ADMINISTRATION OF MEDICINES IN SCHOOL

Medication can only be given with **parental written consent** and parents must complete an official school medication form supplied by the school office. This form (Form 3B) completed by parents gives consent for school staff to administer the medication/inhaler, giving details of medication, dosage, time, expiry date and allergies. It is parents' responsibility to ensure that all medication is in date—including inhalers and Epi-pens.

This rule applies for all 'over the counter' medicines, not just antibiotics or medicines prescribed by a doctor.

If your child needs Calpol, please complete a Form 3B available from the school office and bring the medication to the office with your child's name written on the medicine. We will keep the medicine locked in a cupboard and keep all antibiotics in our staff fridge.

If you have changed address, phone number for home or mobile or if you have a person on your emergency contact list that has changed their number, please let us know as soon as possible. ## SURREY FA - U11 GIRLS FOOTBALL

## A MIDSUMMER NIGHT'S DREAM

Young Shakespeare Company came into school on Monday for a performance of 'A Midsummer Night's Dream' for Years 4, 5 and 6.

The children had already undertaken some class work to prepare themselves for the performance which was absolutely fantastic. The children were engrossed in the story which was expertly told by a group of very talented actors, a narrator and the children themselves. The cast were able to involve all the children in the story-telling and sound effects which further enhanced their enjoyment and understanding of the play. Photographs of the performance are on the display board outside Year 4. We are hopeful that this is the start of confidence with and enthusiasm for the works of Shakespeare, especially as it is the 400th anniversary of his death.
