YEAR 6 NETBALL TOURNAMENT

Our Year 6 netball team took part in the Epsom & Ewell Schools netball tournament at St Martin's Primary School on Wednesday. They reached the semi-final of the competition unfortunately losing on a 'Golden Goal'. They played fantastically well together as a team, well done to everyone involved. Our thanks go to Mrs Flaherty for looking after the team. Thank you also to the family members who supported them.

SCHOOL DINNERS

May we remind parents who have outstanding dinner payments for the current term to pay at the office or online by Monday 21st March so it can be banked.

NEW SCHOOL WEBSITE

Our new look school website went live this week, we are very pleased with how it looks. We have set up a Twitter account that will eventually be linked to the site.

BRITISH TRANSPORT POLICE SAFETY TALK

PC Marshall from British Transport Police visited our school on Tuesday to talk to the children in Years 3-6 about safety near the railways. The children listened very carefully to PC Marshall who highlighted the dangers of playing on or near an electrified railway line. He then showed a film to reinforce the message of how to stay safe, followed by a Q&A session with pupils.

SPORTS KIT

If your child has worn the school football kit, rugby kit or netball kit in the past two weeks, please ensure it is washed and returned to the school office by Monday 14th March. Thank you.

CROSS COUNTRY COUNTY FINALS

Good luck to the children from Years 5 and 6 who will be representing our school in the Surrey Schools cross country county finals at Priory Park in Reigate on Saturday 12th March. Photos will appear in next week's newsletter.

NEW FOOTBALL GOALS

One of the requests from our School Council was to purchase some new football goals for the back playground. They have helped us research the best size, and make as well as looking at value for money! We are pleased to say that they will be set up in the back playground next week.

RECEPTION ASSEMBLY

Well done to our Reception class who presented their assembly to staff, pupils and family members this morning. They told us how important it is to use the talents that God gave us and not to waste them. They each spoke beautifully and confidently and sang 'Look all the world over, there's no-one like me'.

God our Father

Thank you that you made each one of us with special gifts.

Help us to use them to the full and in doing so, bless other people too.

Amen.
