WORLD BOOK DAY

We have had fantastic day celebrating World Book Day and sharing our love of books and reading. Year 1 kicked off the day with their fabulous assembly about books and all the classes have had a chance to share reading time with other year groups — making new friends and sharing their favourite books.

The World Book Day headbands have been very creative and have kept us guessing — well done everyone for your efforts and creativity. Every child has come home with a World Book Day voucher — the instructions as to how they can be spent are on the vouchers themselves. Our thanks to Mrs James and our Year 6 librarians for organising our activities today.

SHARE A STORY
on WORLD BOOK DAY

YEAR 1 ASSEMBLY

Our Year 1 assembly today celebrated our love of books. We shared our favourite stories and who we like to share them with.

We then talked about our class book, 'Man on the Moon' by Simon Bartram and reflected on a very special book, The Bible, where we learn about God's word.

We finished with a fantastic storytelling and actions from, 'We're Going on a Bear Hunt' by Michael Rosen. Wow, Year 1 were fantastic!

SCIENCE TASTER TRIP

On Tuesday afternoon, Year 5 were invited to take part in an interactive science lesson at Blenheim Secondary School. With links to their current science topic, they explored physical and chemical changes using bunsen burners and different chemicals and materials, including sugar, wax and magnesium.

The children (and adults!) thoroughly enjoyed themselves, learning about reversible and irreversible changes and getting the chance to use equipment in a real science lab.

SNOW MUCH FUN!

We would like to thank Mr Buckland, our Site Manager, for working so hard to keep the routes in and out of the school safe during the snowy weather.

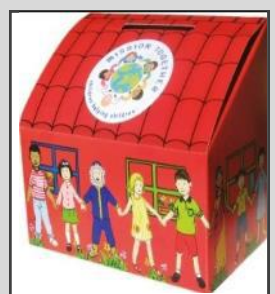

As you can see from these pictures, Mr Buckland made sure there was still plenty of snow for the children to play in on Thursday!

MISSION TOGETHER ASSEMBLY

Last week our guest speaker at assembly was Mary Tomney from Mission Together. She gave us an update on last year's Mission Together project and she introduced the mission for this year. The children of Sri Lanka are in need of vital basic provisions and medication and the proceeds from our red boxes will help greatly with this. Did you know that £1.70 will buy a toothbrush, toothpaste and medication for painful joints for one child and an extra 50p includes a month's supply of food per child.

Please during Lent, spare what pennies you can for the red box. These can be returned to school after the Easter holiday. Thank you for your generosity and support.

ANCHOR BOOK WINNERS

Congratulations to the following children who received Headteacher Awards
at our recent Anchor Assembly;

Year 6	Kia Cunningham and Sam Howick-Smith
Year 5	Fabian Ramsamy and Alexandra Warner
Year 4	Joseph Burke and Isabel Aguiar
Year 3	Vincent Brodowiak and Freddie Conlan
Year 2	Rodrigo Coelho and Ethan Readett
Year 1	Leonardo Barbeiro and Isabella Giannotti
Reception	Piroska Tasi and Erin Askin

THE GREAT DAFFODIL APPEAL

Marie Curie Cancer Care helps nurses care for people with terminal illness in their own home. Their annual Great Daffodil Appeal has launched and people are being asked to donate and wear a daffodil this March.

Year 6 children will be visiting each class from next week with a collection box and there is also a collection box in the school office. The suggested donation is £1. Thank you.

WORLD THINKING DAY

On 22nd February St Clement's celebrated World Thinking Day, a day when all members of the Girl Guiding movement remember each other and reaffirm their commitment to international friendship and understanding.

A number of our pupils enjoyed wearing their uniforms on the day.

SCHOOL BAGS

A reminder that when choosing a school bag for your child, Key Stage 1 children should have a St Clement's branded Book Bag and Key Stage 2 should have a St Clement's branded rucksack.

Please note that pull-along suitcase style bags are not acceptable.

D-Day

Saturday 17 March

1pm to 2.30pm

Midnight had not long struck when the British and American airborne armada began its mission in the moonlight on 6 June 1944. They landed at the edges of the five invasion areas on the Normandy coast to secure the western and eastern flanks of the beachheads and protect them from German attacks. Failure would have given Hitler the opportunity to initiate an eleventh-hour attempt to save Germany and launch his new V-weapons against British cities. Success meant the beginning of the end of the Third Reich. A soldier returns to tell of that day, one of the most important in history. Learn the difference between the weapons and equipment of the land and airborne troops and how they worked together to bring victory.

Cost £5 per child. Contact: David Brooks, Bourne Hall Museum, Spring Street, Ewell, Surrey, KT17 1UF.

Wednesday
4 April
11am—12.30pm
and
2pm—3.30pm

Learn to shape flints like the ancient Stone Age craftsmen and discover the lost art of making stone tools. As part of a small group under the tuition of master flint knapper, James Dilley, enjoy the opportunity to make your own authentic stone age tool to take home. Learn some of the ancient survival skills needed to live in a hostile environment, where woolly mammoth and sabre toothed tigers roamed freely.

There will be an opportunity to buy some replica tools so bring some pocket money if you wish.

Children must wear trousers and closed shoes for protection during this activity, other safety equipment will be provided.

Cost per child £15, payable in advance. This includes the cost of materials to make the tool which will be yours to keep. For pre-payment please make cheques payable to E&EBC and either post or hand deliver them to Bourne Hall Museum.

Places are limited to 15 children per session so pre-booking is essential.

Further information available from David Brooks, Bourne Hall Museum, Spring Street, Ewell, Surrey, KT17 1UF. Tel 020 8394 1734.
