## Newsletter - Friday 8th July 2016

### SCHOOL FAIR

Thank you to the Friends of St Clement's for all their hard work and fantastic efforts in running the Summer fair last Saturday; it is very much appreciated. Thank you to all the family members and pupils both past and present who attended this event.

### SCHOOL REPORTS

Your child will be given their annual school report to take home on Friday 15th July. Your child's class teacher will be available from Monday 16th July from 3.30pm to 4.30pm if there is anything you wish to discuss.

### DISTRICT SPORTS

Well done to all the children who represented our school in the Epsom & Ewell District sports events last Friday and Monday in track and field. Our school came third once again with fantastic results and plenty of medals won. This is once again a fantastic result for our school and we are so proud of all the children. Thank you to the staff who helped to train and accompany the children and thank you to all the parents who attended the events and cheered on the children.

### SPORTS' DAY

Our school sports' day take place on Tuesday 12th July at the Harrier Centre in Ewell. Thank you to all the parents who have responded with their arrangements for the day.

We are looking forward to a successful and enjoyable day.

### THE AMAZING ADVENTURES OF SUPERSTAN

The children in Year 6 are busy rehearsing for their end of year production 'The Amazing Adventures of Superstan!' The two performances are on Wednesday 13th July at 1.50pm and Thursday 14th July at 7.00pm. Tickets are priced at £3.00 each to cover the cost of the production.

If you would like to watch this production and wish to purchase tickets, please see Mrs McCloskey, our Year 6 Teaching Assistant, by the school office between 8.45am and 9.00am on Monday 11th July.

Please note all pupils will have a chance to see the production during school next week and the evening performance is being filmed so we would ask that young children are not brought to the evening performance.

Thank you.

## YEAR I ASSEMBLY

Year 1 presented a very thought provoking assembly on the theme of 'Being Sorry'. They reminded us all of the occasions when we may have upset others and that it had been easy to say sorry; however it is the change in our behaviour that truly demonstrates how sorry we really are. They related this to the Gospel story of Zacchaeus the tax collector who changed his ways after choosing to follow Jesus' example.

## PIANO ASSEMBLY

The 29 children who have piano lessons during school took part in a special piano assembly on Thursday. Thank you to Ben and Sandie Tompsett, their piano teachers for their expert tuition throughout the year. Well done to all the children who took part who each played a piece of music watched and enjoyed by their families and the whole school.

## RECEPTION TRIP TO LADYLAND FARM

Our Reception children visited Ladyland Farm near Horley on Thursday this week, they had a fantastic time and really enjoyed their tractor ride, feeding the animals and learning how animals live and grow. Mrs Hargrave was hugely impressed with the children's behaviour and enthusiasm throughout the day.

Some children in Year 4 had the opportunity to join in a special Maths and Science event held at Brooklands Museum. They were learning about and investigating force and resistance. The day started with a talk by a pilot about ejector seats and the children went onto design, make and test a parachute. The second part of the day involved a maths trail around the museum and an opportunity to look a little bit more closely at the aircraft on display. Mrs Roberts was extraordinarily proud of their participation and engagement throughout the day.

## DISTRICT SPORTS

Photos of our medal winning District Sports children - 3rd place overall in Epsom & Ewell schools!
