YEAR 3 ROMAN WORKSHOP

Dressing up as a centurion, re-enacting the Revolt of the Iceni, and practising some Roman army manoeuvres were just a few of the activities enjoyed by the children in their Roman workshop with archaeologist, Mortimer Wheeler. What a fantastic way to learn about the Roman invasion of Britain!

YEAR 4 EGYPTIAN WORKSHOP

Today the children in Year 4 enjoyed meeting Mortimer Wheeler, the Egyptian Archaeologist. Mortimer introduced them to a fascinating history of the Ancient Egyptians including the Pharaohs, the god Rameses, mummification and the famous battles of the day. What a brilliant way to end our interesting topic!

PIANO ASSEMBLY

We were treated to some fabulous music from our pianists on Thursday morning; each of the 23 children who are learning to play the piano had an opportunity to perform in front of their families and the whole school. It is a testament to skills and patience of Sandie and Ben Tompsett, our piano teachers, that so many children are learning to play and to perform to such a large audience.

SURREY YOUTH GAMES

The Surrey Youth Games Competition is taking place this weekend at Guildford Sports Park. We are very proud to say we have 20 children from St Clement's who are representing Epsom & Ewell in a variety of sports.

They were invited to a good luck reception on Thursday at the RAC Club in Epsom where they were presented with their Team Epsom & Ewell t-shirts. This is a fantastic opportunity for these children and we wish them luck for this weekend and thank them for representing us so well.

ROUNDERS EVENT

The Year 6 Rounders Team took part in a tournament yesterday afternoon. There were 12 teams involved and we came top in our pool stage so went through to the semi-finals. Although they all played brilliantly, showing off their throwing, tactical skills and great sportsmanship, we sadly lost our match to another great team. An energetic and sunny afternoon was had by all with an ice lolly thrown in too! Thank you very much to the parents who came to support.

YEAR 5 BIKEABILITY

On Monday and Tuesday morning, Year 5 took part in Bikeability. The children were taught how to safely ride their bikes, basic road safety rules and much more. They thoroughly enjoyed themselves and are looking forward to learning even more about bike safety next year.
