SPORTS DAY SUCCESS!

What a fantastic Sports Day we had yesterday at The Harrier Centre. All the children demonstrated a healthy competitive spirit whilst never forgetting the importance of teamwork. We were extremely proud of the children's excellent behaviour and we were delighted to see so many parents there to support us. The staff were so pleased to see that the extra effort we've put into teaching sport at St Clement's over the last couple of years has really paid off, with every child enthusiastically and skilfully taking part in the events.

Thank you to all those who helped to set up and ensure the day ran smoothly. We are sure that everyone would agree that a brilliant day was had by all!

We had so many lovely photographs from Sports day we simply had to make space in the newsletter for more!

Remember to return PE kits on Monday!

BACK TO SCHOOL... ALREADY!

PMG, our school uniform supplier, has advised us that the cut-off date for ordering new school uniform is **Friday 11th August**. After this date they may not be able to guarantee orders in time for September.

They have also asked us to remind all parents not to leave buying uniform until the very end of the summer holidays as the shop becomes extremely busy and stock may be very low by then.

NEW AFTER SCHOOL CLUBS

We have arranged for some exciting new After School Clubs to come in to school over the next couple of weeks to offer taster sessions during the school day. These clubs will require minimum numbers of pupils to sign up for them to run. The clubs are;

Drama – offering taster sessions during school on 28th June with the current Reception, Year 1 and Year 2 classes. For more information, please see their flyer below. This club would run for Years 1-3 from September on Tuesdays at a cost of £5 per class.

Professor Bubbleworks - will be coming in on 4th July to wow the children during assembly with some exciting science experiments! Separate clubs would run for Key Stage 1 and Key Stage 2 at a cost of £9 per session.

Nutritional Ninjas - a cookery class to teach the children how to cook and make healthy choices. The Ninjas are not providing a demonstration but all the necessary information is included in their flyer on the next page. This club would run for Years 2-6 and costs £8 per lesson which includes all ingredients.

nutritional NINJAS

NO NEED FOR A SCHOOL KITCHEN
WE SUPPLY ALL THE INGREDIENTS
ALL RECIPES ARE VEGETARIAN

The Mission:

To train mini ninjas in all things nutrition, to teach them to cook and to make healthy choices

Nutritional Ninjas after school clubs specialise in teaching primary aged children to cook healthy, nutritious and occasionally a little bit naughty recipes. We teach children the basic kitchen skills needed to prepare nutritious recipes.

How our classes work:

- Parents sign children up online
- We send you a register of those signed up
- Our DBS checked teacher arrives for the club
- Children arrive, wash hands and prepare the area
- Children make healthy recipes
- Children take recipes home to share with their families

We use only child safe, anti skin-cutting knives

There is no need for an oven, hob or any cooking facilities! Our classes are best in a normal classroom!

If your child is interested in any of these clubs, or if you would like more information, please email us at info@stclements.surrey.sch.uk or see the School Office so that we can book these clubs for September if it looks like we will have enough interest.

SUMMER READING CHALLENGE

On Wednesday 5th July staff from Ewell Library will be giving a talk in assembly about the New Summer Reading Challenge. This year the theme is **Animal Agents** with characters drawn by best-selling children's illustrator Tony Ross. The Agents are a host of clever creatures, ready to solve all kinds of crimes! It's **free** to join and children can sign up from Saturday 15 July.

Our local library staff have been telling the children how to take part in Animal Agents, this year's Summer Reading Challenge.

The children will tell you all about it! All they have to do is read SIX library books and visit the library regularly over the summer, collecting special stickers and incentives along the way.

Please encourage your children to visit the library and sign up and see the difference the Summer Reading Challenge makes to their reading.

We will be celebrating and rewarding all children who took part at the beginning of the new school year.
