FIRST HOLY COMMUNION ASSEMBLY

Year 3 led us in prayer this morning as they celebrated making their First Holy Communion with the whole school community and their families. They acted out the story of the Last Supper, reminding us that when we go to mass and receive Holy Communion, we share that special meal with Jesus too.

The children also shared some of their memories of their special day; Tobiasz commented, "My Holy Communion day felt like a really big present for me and I am very happy Jesus is in my heart."

Looking very smart indeed, each child presented an unfinished clay heart, representing their spiritual journey, together with a beautiful message of thanks to their parents.

PUNCH & JUDY FUN!

On a hot Thursday afternoon, Reception, Year 1 and Year 2 were treated to a fabulous Punch and Judy show as part of their topic about the seaside. Ben, our puppet master, was fantastic as the voice of Mr Punch and other characters. The children were thoroughly engaged, participating with gusto!

The children had the opportunity to ask questions about the history of Punch and Judy and at the end they were treated to juggling and magic tricks. In the words of Mr Punch;

“That’s the way to do it!”

ANCHOR BOOK WINNERS

Congratulations to the following children who received Headteacher Awards this week:

Year 6	Samuel Kubicek and Ella Bishop
Year 5	Eliza Silke and Jakub Przewozny
Year 4	Liana Gnahoua and Fabian Ramsamy
Year 3	Hannah Lynch and Tom Hillier
Year 2	George Warner and Kaylah McGuinness
Year 1	Julia Kielar and George Redmond
Reception	Marta Moron and Ellis Forrestal-Williams

NEW AFTER SCHOOL CLUBS UPDATE

PROFESSOR BUBBLEWORKS SCIENCE CLUB

Unfortunately Professor Bubbleworks were unable to join our assembly this week so they have rescheduled to wow the children with their experiments in assembly on Tuesday 11th July instead. Further details about the club will feature in the next newsletter once their taster session has taken place.

MULTI-DANCE CLUB

Reception and Years 1 and 2 enjoyed their taster session of Multi-Dance Club last week. All the children had the chance to get up and have a go and there was much laughter and fun all round. Please email Mrs Nicholas at info@stclements.surrey.sch.uk or pop into the School Office if your child is interested in joining so that we can gauge whether there is enough interest to run the club from September.

KS1 MULTI-DANCE!

A new after school club starting Tuesday the 12th September 3:20-4:20 pm

Multi Dance will cover a range of fun styles such as Performing Arts (Sing, Dance Act!), Jazz Dance, Street Dance and Creative Dance.

NUTRITIONAL NINJAS COOKERY CLUB

Would your child like to learn how to prepare and cook their own food? Recipes can include stuffed peppers, cake pops, scones, sushi, lemon tarts, ratatouille and many other tasty dishes to stretch not only their cookery skills but also their palettes! This club would run for Years 2-6 at a cost of £8 per session which includes all ingredients. Please see the flyer on the next page for further details. Again, please email Mrs Nicholas at info@stclements.surrey.sch.uk or pop into the School Office if your child is interested in joining so that we can gauge whether there is enough interest to run the club from September.

nutritional NINJAS

NO NEED FOR A SCHOOL KITCHEN
WE SUPPLY ALL THE INGREDIENTS
ALL RECIPES ARE VEGETARIAN

The Mission:

To train mini ninjas in all things nutrition, to teach them to cook and to make healthy choices

Nutritional Ninjas after school clubs specialise in teaching primary aged children to cook healthy, nutritious and occasionally a little bit naughty recipes. We teach children the basic kitchen skills needed to prepare nutritious recipes.

How our classes work:

- Parents sign children up online
- We send you a register of those signed up
- Our DBS checked teacher arrives for the club
- Children arrive, wash hands and prepare the area
- Children make healthy recipes
- Children take recipes home to share with their families

We use only child safe, anti skin-cutting knives

There is no need for an oven, hob or any cooking facilities! Our classes are best in a normal classroom!

Children's Cookery Classes

An important announcement from Mathletics

Mathletics

Dear Parents,

As you will know, as a part of your child's maths lessons at school they have access to the online learning resource [Mathletics](#). This access will continue into the new school year.

At the beginning of each year, student accounts within Mathletics are refreshed by filing away results data from the previous academic year. This important process ensures that Mathletics continues to run as effectively as possible.

This year, the data archiving will take place on [Monday 31st July](#).

What this means for your child:

The archiving process does not delete data, but files it away to provide clear results reporting for the new academic year. Following the archiving of data, on-screen activity results and gold bars earned throughout the previous academic year will no longer be visible to students. This creates room for curriculum results data from the forthcoming academic year.

Important: Archiving only impacts curriculum results data. Students' Avatar customisations, certificates earned and Live Mathletics scores are not affected and will remain visible and accessible.

Archiving is a standard annual process as a part of each school's preparation for the new school year. Your child will also shortly be receiving new curriculum content for the new school year, and will be able to continue to access their account as normal throughout.

We look forward to helping your child love, engage with and enjoy learning over the next year.

Kind regards,

The Mathletics team.
