Hilarious!

YEAR 6 PRODUCTION

The following report has been written by Riona Stockley and Jaimie Guiret, two of our Year 6 pupils;

Once again Year 6 blew us all away with their amazing talents in their performance of *Ali Baba and the Bongo Bandits!* What a spectacular production they put on for everyone showing their incredible singing, dancing and acting skills. For those of you who didn't manage to come and see them... you really missed a treat! But I am sure others who have will share the fun and magic with you!

A few special mentions to Mrs Kelly, Mrs Flaherty, Miss Kenway, Mr Buckland, Mrs Gordon, Mrs Green, Mrs Davey and everyone else who helped with the set, scenery and costumes!!

RECEPTION ASSEMBLY

On Monday, Reception presented an assembly following their visit to Ladyland Farm. They reminded us of the importance of farming and that "Farms are all about food!"

They also shared with us the most exciting bits about their visit to the farm, including the coach journey, the very bumpy tractor ride and 'Bramble' the naughty Shetland pony!

They gave thanks to God for all the animals by singing, "If I was a Butterfly."

A SUPER SCIENCE ASSEMBLY!

On Tuesday, the children had an exciting assembly with Paul, a scientist from the Professor Bubbleworks after school club. They were treated to some amazing demonstrations all around the subject of Air. Some excellent volunteers were chosen to show the others how to float bubbles using a hairdryer, make smoke rings using air and best of all, a 'flying toilet roll' display!

Paul explained that Professor Bubbleworks will be setting up an after school club at St Clement's from September and information regarding the club will be sent out shortly.

It certainly proved to be a very popular and fun assembly, thank you Professor Bubbleworks!

TOP ATTENDERS REWARD

Letters will go out on Monday to those children with the top attendance this year. Their reward will be a picnic and games in the park on Wednesday!
