## YEAR 3 FIRST HOLY COMMUNION ASSEMBLY

Year 3 led us in prayer at their assembly as they celebrated making their First Holy Communion with the whole school community and their families. Acting out the story of the Last Supper, they reminded us that when we go to Mass and receive Holy Communion, we share that special meal with Jesus too. The children also shared some of their memories of their special day; Leonardo commented, "I felt so excited and joyful on my First Holy Communion. This day was so special." Looking very smart indeed, each child presented an unfinished clay heart, representing their spiritual journey, together with a beautiful message of thanks to their parents.

*Lord, we ask you to bless us as we made our First Holy Communion.*

*We thank you, God, for Jesus, your Son.*

*We thank you for the special meal he shares with us.*

*Help us to grow together in love and learning.*

*Feed us with your love.*

*Give us the strength to make the right choices to be the best we can be.*

*Amen.*

# PUNCH AND JUDY VISIT ST CLEMENT'S!

Earlier this week, Punch and Judy came to visit Reception and Key Stage 1 as part of their history topic in which they are learning about the seaside. The following reports are written by some of the Year 2 pupils where you will read just how much fun they had during the visit!

*On Tuesday afternoon The Punch and Judy Show came to visit us. The Punch and Judy Show was funny because there was a cheeky dog called Toby and he used a tap as a hammer to fix his basket. When he had the hammer he hit the puppeteer's finger and his head. The puppeteer's name was Ben and Ben told us there was this thing called a swizzle. He uses it to do Mr Punch's funny voice and he even showed us it. At first there was some music and then some funny puppets. There was a funny joke when Judy asked Mr Punch to hold the baby and Mr Punch sat on the baby. When Judy came back she said, "What are you doing?" and Mr Punch said, "I'm babysitting!"*

*On Tuesday afternoon, Punch and Judy came to school. We had to clap and listen. The Professor (the puppeteer) caught the cheeky dog out. He was in his basket. Toby the dog brought a hammer out. Ben the puppeteer put his index finger on the basket and you won't believe what Toby did... he hit Ben's finger! "OW!" said Ben.*

*Next, Judy said, "Mr Punch, can you babysit my baby?"*

*"Yes," said Mr Punch but he sat on the baby! Judy came upstairs and said, "Mr Punch, why are you sitting on my baby?" Mr Punch replied, "Because I'm babysitting!". Everyone was roaring with laughter. Joey the clown came with sausages but greedy crocodile came and gobbled the sausages. We all had a great time.*

# BUTTERFLIES IN RECEPTION

As part of Reception's learning about growing, the children were fascinated to observe for themselves the 'life cycle of a butterfly.' In class, they watched five very small caterpillars eat and eat until they became very big caterpillars! As they continued the process of metamorphosis, the children were fascinated by the next stage, the chrysalis. Every day for about a week they waited and waited and waited (and waited some more!) Eventually on Friday 28th June, the butterflies emerged from their cocoon and were ready to spread their wings in the beautiful blue sky.

Reception and their Prayer Partners in Year 6 met and celebrated the moment when the butterflies flew away. One however did take a little time to rest, on Mrs Flaherty's finger!

This was a truly awe filled moment for everyone and one we are sure the children will never forget.

# PEDALS SAFETY TRAINING

Years 1 and 2 had a very enjoyable workshop with Surrey County Council learning through fun and games about hazards when cycling and scooting. They learnt about the meanings of some road signs and discussed how to cross the road safely as a pedestrian. All children improved their knowledge and skills with a smile on their faces.

*"We were learning to stop with our brakes using traffic lights to stop and start"*

*"I liked it when we went in and out of cones"*

A big thank you to Sue and Ann from Surrey County Council.

# GO LIONESSES!

In support of the Women's football World Cup 2019, Year 5 designed and made their own football kit fans. They learnt about how women's football has developed in recent years and also about some of the inspirational players on the squad.

# EXTRA MUSIC LESSONS

You may recall a few months ago that the Rock and Pop Foundation delivered a music taster session with our Year 2 pupils. We have been considering for some time how we might weave some specialist music opportunities into curriculum time and this session gave us the opportunity to consider how every child might have an opportunity to learn to play an instrument. Following some discussion with Rock and Pop Foundation, and with The Friends of St Clement's agreeing to some funding for next academic year, we are now negotiating and planning for each year group from Years 1-6 to have either ukulele or glockenspiel lessons for a 12 week block in the coming academic year. The funding will also allow us to purchase enough ukuleles for a whole class and glockenspiels for half a class.

We will keep you posted on our plans. Huge thanks to The Friends of St Clement's for their support with this exciting opportunity.

# AIR AMBULANCE TALK

On Monday 24th June, Year 5 visited our neighbours at Priory Court to listen to a talk about the Air Ambulance charity that saves lives by using helicopters to treat patients quicker.

We learnt that...

- *One life-saving mission costs £3,700!*
- *Aircraft fuel for around 10 missions costs approximately £1,000!*
- *A bespoke kitbag costs around £350!*
- *Protective footwear (for the crew) costs £50!*

The staff and residents of Priory Court were extremely welcoming and we had a great time. We also were given a mini Priory Court cupcake and squash which was delicious!

If you would like to donate to this great charity please visit [www.aakss.org.uk](http://www.aakss.org.uk) for more details.

# HELP THE AIR AMBULANCE!

1st Ewell Court Scout Group are raising much needed funds to help the Air Ambulance Kent Surrey Sussex.

They are collecting empty crisp packets which can be recycled and put to a very special use; every 3kg (400-500 empty packets) is enough to make three special wraps which are used to wrap patients in whilst being flown to a major trauma centre. This simple, yet effective, measure allows patients to maintain their core body temperature which is key in the chain of survival.

A collection box can be found in the area in front of the School Office. Your empty packets will be taken to the Scout Group by Mrs Dunne who is helping to co-ordinate the collection.

# ROUNDERS SUCCESS!

Last Wednesday, we took two teams from Years 5 and 6 to a rounders tournament at Stamford Green. It was a fantastic afternoon of matches, playing nine games between them. There were superb tactics being displayed, some amazing rounders being scored and some absolutely outstanding fielding. Both teams were a credit to St Clement's and to top off a wonderful afternoon, Year 5 won the tournament in a nail biting final! Congratulations Year 5! Thank you to Mrs Kingswell and all the support from the parents.

# SURREY YOUTH GAMES SELECTION

Huge congratulations and thank-you to all of our pupils who put themselves forward to represent Epsom and Ewell in the Surrey Youth Games and were selected for a range of sports teams. There were some great team achievements as well as personal triumphs during a fabulous weekend of sport.
