Policy Formation: SCC Finance Manual, ANNEXE G - USE OF SCHOOL PREMISES – LETTINGS & SCHEDULE OF CHARGES: 2022/2023 FINANCIAL YEAR, SCC forms Fin 566 (Annex F) & ED110 (Annex E)	
Dissemination of the policy: A copy of this policy is held centrally on Staff Share and copies are available upon request.	
Procedure for Monitoring and Evaluation: The School Business Manager, Headteacher and Governing Body will monitor this policy. It will be reviewed bi-annually; however, charges will be updated annually based upon Surrey County Council's guidance.	
Chair of Governor's Signature:	Date:

Objectives

- The Governing Body actively encourages community use of the school buildings. However, it reserves the right to refuse any lettings it may choose.
- Educational usage constitutes a natural priority;
- A profit margin may be included when derived from private or commercial usage but are not the objective when facilitating education activity by designated users.
- The Governing Body will ensure that the school budget does not subsidise non-school activities and that all costs are recovered. The Governing Body will review charges annually.
- The Governing Body is committed to safeguarding and promoting the welfare of children and young people and expects all hirers of the school premises to share this commitment. All hirers working with children are required to have current DBS clearance at an appropriate level for those individual working in school premises as or on behalf of the hirer. The appropriate level is as defined by the Disclosure and Barring Service.

Guiding Principles

- All hirers and those working for them who will be in contact with children, must produce original and valid DBS clearance at the time of hire. Copies of certificates will be kept on file in the school.
- Any hirer who does not have DBS clearance, can apply for it through the school, and will be expected to pay the charges made by the DBS and Babcock as the registered body.
- School Premises Conditions of Hire Conditions must be adhered to (see appendix 1).
- A School Letting - Initial Request Form (see Appendix 2) must be completed by ALL applicants. A Hiring Agreement (see appendix 3), if approved by the school, will be returned to the Hirer. For long-term lettings application forms will be reviewed on an annual basis.
- Each hirer will be required to nominate a contact person. Such a person is deemed to be in charge and able to investigate any difficulties which may arise.
- The Governing Body will determine if a nominated person from school e.g. the caretaker, is required on site when the premises are being used. If not, a responsible person, on behalf of the Hirer, previously agreed with the school, must be on site throughout the letting. If the caretaker or other school employee needs to be on site, then a charge will be made.
- Normally, a caretaker, or other staff member will be required to be on site during any letting outside school hours, and a charge will be made. Exceptions to this must be agreed by the Governing Body.
- When the caretaker is present, he/she will give reasonable assistance, within the terms of his/her employment, to the hirers.
- If the caretaker is in attendance and the hirer provides additional personnel to prepare for a letting, these personnel shall be subject to the general direction and control of the caretaker.
- All formal hiring of the schools premises, including those for which no charge, is made shall be properly documented. All hirers **must** complete a HIRING AGREEMENT FOR

SCHOOL PREMISES and will receive a copy of the CONDITIONS OF HIRE. The Hiring Agreement is a contract, which the governors may enforce at law.

- The minimum hire period will be one hour. Charges are applied for each part hour as a full hour.
- The governors have delegated the authority to accept applications for hire to the Head Teacher.
- The Head Teacher will consider the impact of the letting on the asset and ensure that overuse of facilities for lettings does not lead to excessive wear and tear.
- The Head Teacher will also consider the impact of the letting on the ethos of the school and has the right to refuse any lettings for activities she deems to be in conflict with the school's mission statement and aims.
- No member of staff is allowed to vary that in terms and conditions from which the school premises are hired to either individuals or organisations nor to deviate from the governors' published charging policy without the express permission of the Governing Body.
- The governors will review the policy biannually and the scale of hire charges for the forthcoming year will be reviewed and updated regularly.
- In support of the whole school community and to be inclusive, as part of the letting agreement Clubs should offer 2 Free of Charge places for Pupil Premium Pupils. To be determined by the headteacher.

Scale of Charges

In arriving at their scale of charges the governors have followed the following principles :-

- I. Group A (see below) will not be charged.
- II. Group B (see below) will be charged at current SCC rate or in exceptional circumstances, at a rate agreed by the Governing Body.

A copy of the current scale of charges appears in appendix 4.

- c) Parish events by agreement

Group B Use

Extended Use of School

In line with the Surrey County Council Finance Manual (Section - Community Use of Schools - Extended Use), users will be charged a Service Charge which is based on the school being in use at the times of the agreement. The rates given in Appendix 4 are a guideline to the minimum charges. Heating costs outside school operating hours, staff overtime and other additional costs incurred by the Delegated budget will be charged at cost.
